DISCUSSION OF APPORTIONMENT PLAN FINALIZATION DATE

Bonnie Scheele indicated that there are two different opinions on the date of the official release of the census data. MCL 46.407 states that the Apportionment Commission must submit a plan within 60 days but not less than 30 days after the official published census figures are available.

Ms. Scheele stated that Attorney David Stoker of Cohl, Stoker & Toskey, P.C advised the Livingston County Clerk that they could adopt a plan prior to the October 11, 2021 deadline in case a court ultimately determines the August 12, 2021 as the official release date of the data and then hold a second meeting after October 17th but before November 15th to adopt the same plan again in case the September 16th date is determined the official release date. Grand Traverse County can follow this advice to make sure they also meet both timelines.

Moved by Cracchiolo, seconded by Moeggenberg to finalize the new County Commissioner District map on October 11th and again on October 21st in order to cover both timelines.

Motion carried.

APPORTIONMENT COMMISSION VOTE ON TOP 4 MAPS FOR CONSIDERATION

The Apportionment Commission reviewed the 10 plans that were submitted by September 23rd and 24th. After considering each of the plans, four plans were agreed upon as the final four. A vote was not needed as they only had four plans that made it through the scrutiny of the Commission.

Moved by Cracchiolo, seconded by Scheppe to have the following four plans considered at the October 7th meeting to be voted on to determine the final County Commissioner District map for Grand Traverse County.

County Clerk T-1
Treasurer B-1
